

Pack 867 Rocket Day

Your boy will put together his own Quest Starhawk or Viper rocket (with a little help from his akela). Then he can decorate anyway he wants. Assembly will be at Wilson Elementary cafeteria Tuesday, May 20 at 7 pm.

We will meet Saturday May 31 at 9 am at Cub World Field No. 1. We will have a campout on Friday May 30. More campout information to follow.

Fee of \$15 includes rocket kit, three launches, and a patch.

Please let us know if you have a launch controller we can use to speed things along.
